ADVENT ANNOUNCES COMPLETION OF DEMURRAGE GUARANTEE SYSTEM FOR AMERICAN TRANSPORTATION GROUP

New web-based application for managing demurrage

Murray Hill, NJ - Advent is pleased to announce the successful completion of a demurrage guarantee system for American Transportation Group. The system allows users to submit and process demurrage guarantee requests for ATG container shipments.

The system is web based and runs on the ATG internal network allowing access to the application worldwide. It is written in Microsoft ASP.Net and Microsoft SQL Server.
